★1: 【Unlimited data】This is the total data usage limit for tethering, data sharing, and World Data Flat (fees apply). ※For services such as video and cloud gaming that require significant amounts of data communication or long sessions, your data speed will be restricted to a range that does not interfere with typical use (e.g., viewing videos at HD quality). ※If you use a significant amount of data within a certain period, your data speed will be restricted during peak time periods. 【au Smart Value】\*3: A subscription to a service such as home Internet service is required. Usage fees and option fees apply separately. When you cancel your Internet service, you may be charged a contract cancellation fee depending on the length of your contract (For au Hikari Home, Zutto Giga Toku Plan (new application on or after July 1, 2022): 3-year contract, contract cancellation fee: ¥4,730).

au Smart Value ※Application required	<Requirement: Subscribe to ①+②>①Applicable plan with an au smartphone ②Applicable home Internet services (Internet + phone) ※You may apply if the contract holders for the home Internet services and the au mobile phone have the same last name and address.
au PAY Card Payment Discount	<Requirement>The payment method registered at the end of the month must be an au PAY Card. ※If you use lump-sum or KDDI consolidated billing, the billing group's payment method is used to determine the payment method.
Family Discount Plus ※Application required	<Requirement>Family members must subscribe to plans that are eligible for the discount. ※If home addresses differ among family members, in-person procedures at an au Shop and a document proving your family relationship (jyuminhyou, etc.) are required.

【4G LTE plans】\*1: If you subscribe to these plans, discounts that are currently being applied may be discontinued. ※For cancellations during the middle of a month, the full price will be charged. \*2: Fees differ for calls to satellite maritime telephones and to phone numbers for which fees are set by other companies, which incur the designated calling charges. 【Amazon Prime】※“Enjoy Amazon Prime services” means that au will pay an amount equivalent to the Amazon Prime membership fee under the applicable plans, thereby enabling use of Amazon Prime. (Under Unlimited Data MAX Plan 4G Netflix Pack (P), an amount equivalent to the membership fee will be included in your au bill.) For the time being, au will pay the equivalent of the membership fee by providing an Amazon Prime Gift Code worth Amazon Prime services upon registration. 【Netflix / Paravi】※The Basic Plan applies. 【TV Pack (TELASA / Paravi / FOD Premium) / DAZN】※For au Simple Payment, you will be billed the usage fees for relevant services, but the corresponding amount will be discounted from your au usage fees. If you are not subscribed to this plan at the end of the month, the discount from the au usage fees will not be applied. 【Common points of note regarding content】※You may not receive the Free Initial Subscription offer for the relevant content. ※To start the plan, you must perform the separate procedures for starting service. (TELASA (excludes Unlimited Data MAX Plan 4G Netflix Pack (P))) ※After changing to a plan that does not include content, or canceling or temporarily suspending a plan that includes content, you may need to separately perform procedures to unsubscribe from the content yourself. Please visit the au website to check your status. ※If you have already started to use the contents, you will be charged the full usage fee in the month you started using the service. 【Common points of note】※It may not be possible to use these promotions in combination with other au promotions. ※Universal service fees, phone relay service charges, and contract-related fees apply separately. ※The information contained in this flyer is current as of July 1, 2022.
