**\*1: [Unlimited Data]** This is the total data usage limit for tethering, data sharing, and World Data Flat (fees apply). ※For services such as video and cloud gaming that require significant amounts of data communication or long sessions, your data speed will be restricted to a range that does not interfere with typical use of au smartphones (e.g., viewing videos at HD quality). ※If you use a significant amount of data within a certain period, your data speed will be restricted during peak time periods. **[au Smart Value]\*3:** A subscription to a service such as home Internet service is required. Usage fees and option fees apply separately. When you cancel your Internet service, you may be charged a contract cancellation fee depending on the length of your contract. (Example: au HIKARI Home, Zutto Giga Toku Plan: 3-year contract, contract cancellation fee: ¥16,500 with tax) **[2-year contract N]\*2:** Unless you request otherwise, this contract will be renewed automatically every 2 years. If the contract is canceled during the term, a contract cancellation fee (¥1,100 with tax) will apply (unless you cancel during the 3-month contract renewal period, which is the month that the 2-year contract N expires and the following two months). **[4G LTE plans]\*1:** If you subscribe to these plans, discounts that are currently being applied may be discontinued. **\*2:** Fees differ for calls to satellite maritime telephones and to phone numbers for which fees are set by other companies, which incur the designated calling charges. ※You cannot subscribe to both 5G NET for DATA (¥550/month with tax) and LTE NET for DATA (¥550/month with tax) at the same time. ※For cancellations during the middle of a month, the full price will be charged. ※Plans are only available for au smartphones (4G LTE). ※Subscription to LTE NET (¥330/month with tax) required. You cannot subscribe to LTE NET for DATA (¥550/month with tax) at the same time.

**Family Discount Plus** ※Application required <Requirement>Family members must subscribe to plans that are eligible for the discount. ※If home addresses differ among family members, in-person procedures at an au Shop and a document proving your family relationship (jyuminhyou, etc.) are required.

**au Smart Value** ※Application required <Requirement: Subscribe to ①+②>①Applicable plan with an au smartphone ②Applicable home Internet services (Internet + phone) ※You may apply if the contract holders for the home Internet services and the au mobile phone have the same last name and address.

**[Netflix / Paravi]** ※The Basic Plan applies. **[TV Pack (TELASA / Paravi / FOD Premium)]** ※For au Simple Payment, you will be billed the usage fees for relevant services, but the corresponding amount will be discounted from your au usage fees. If you are not subscribed to plans that include this content at the end of the month, the discount from the au usage fees will not be applied. **[Common points of note regarding content]** ※If you subscribe to a plan that includes content, you will not receive the "Free Initial Subscription Trial" offer for the relevant content. ※To start the plan, you must perform the separate procedures for starting service. (TELASA (excludes Unlimited Data MAX Plan 4G Netflix Pack (P))) **※After changing to a plan that does not include content, or canceling or temporarily suspending a plan that includes content, you may need to separately perform procedures to unsubscribe from the content yourself. When performing such procedures, refer to the au website.** ※Full prices apply for relevant services from the month you subscribe to plans that include this content if you have already subscribed to the services. **[Common points of note]** ※It may not be possible to use these promotions in combination with other au promotions. ※Phone model fees, communication and calling charges, other optional fees, universal service fees, and contract-related fees apply separately. ※The information contained in this flyer is current as of February 17, 2021. Depending on when you apply, the content may have changed.

**au PAY Card Payment Discount** <Requirement>The payment method registered at the end of the month must be an au PAY Card. ※For the time being, the discount applies for use of services from the following month. If this is to be changed, we will announce the details in advance, such as on the au website. ※Corporate contracts are not eligible for au PAY Card Payment Discount. The 2-year contract N (¥110/month with tax) is available. ※If you use lump-sum or KDDI consolidated billing, the billing group's payment method is used to determine the payment method. **[au PAY Card enrollment requirements]** ①Customers with personal au IDs (au IDs used under corporate contracts cannot be used to apply for this service.) ②[au PAY Card] You are at least 18 years old (excluding high school students), and you or your spouse earns regular income. Students can apply regardless of whether or not they have a regular income. [au PAY Gold Card] You are at least 20 years old (excluding students, the unemployed, and part-time workers), and you or your spouse earns regular income. ※Parental consent is required for customers under the age of 20. ※If you have performed user registration, you cannot apply under your user name. ※Card issuance follows a prescribed screening process. Due to the screening, we may be unable to meet your request. Card issuer: au Financial Service Corporation
