

Purchase the latest smartphone models now at affordable prices!

Program fee: Free
Application required

No need to pay for the final installment for your phone!★¹

Purchase of a new device is required. We will collect the phone you purchased under this program.

★¹: When an eligible device has been replaced by purchasing a new au smartphone or mobile phone at an au store or store with au products between month 13 and month 25 after purchasing, and when KDDI collected the phone you purchased under this program.

※You will need to meet the conditions for collecting and assessing the device purchased when subscribing to the program. If your old device does not meet the designated requirements due to defects or damage (example: cannot recharge), you will need to pay up to ¥22,000 (non-taxed), or you may not be eligible for the benefits.

If you replace your device with a new model on month 25

Sample installment payments when the program is applied 25 months after the purchase of an eligible smartphone at a store with au products

<For device price of ¥96,600>

When the cash selling price / payment total is ¥96,600 ("Installment ¥2,520 x 23 times" + "Final payment amount (24th installment): ¥38,640"), APR: 0% Down payment: ¥0 Number of payments: 24 times Payment period: 26 months

★¹: When you replace an eligible device with a new au smartphone or mobile phone at an au store or store with au products between month 13 and month 25 after purchasing, and when the device you purchased under this program is collected by KDDI. ※The amount of installments and the amount of the final payment differ depending on the model. ※There are certain conditions for the collection and assessment of the device you purchased under this program. If these conditions are not met, you may be required to pay up to ¥22,000 (non-taxed) or may not be eligible for the benefits. [If you are not using benefits] ※You may also choose to pay the final payment in lump-sum or in installments. For customers with Gold or higher status in the au Point Program or customers who subscribe to au lines, payments will be automatically made into 24 installments unless otherwise requested. In addition, if we collect your device and you do not purchase a new model, we will purchase your device according to our prescribed conditions and prices.

※Conditions apply.

Prices shown include tax unless otherwise noted.

See the reverse side for additional information.

If you do not replace your device with a new model after month 25

Your final payment will be divided into 24 installments

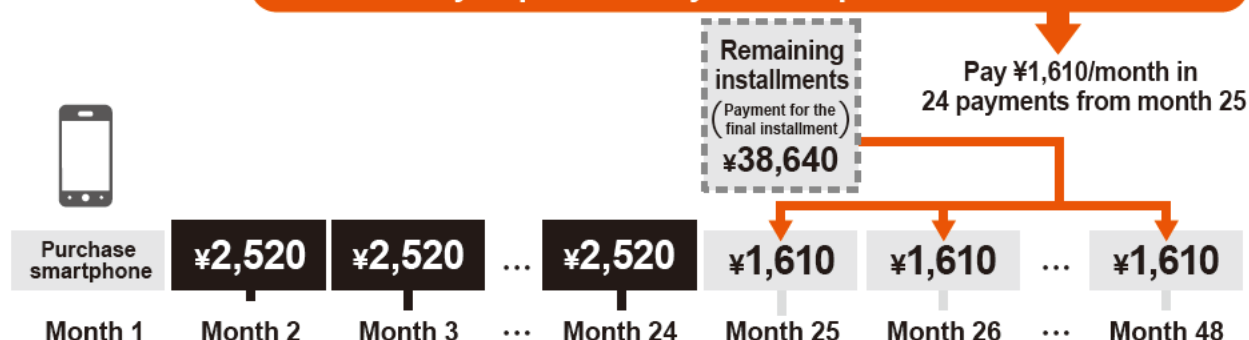

[Your final payment] For customers with Gold or higher status in the au Point Program or customers who subscribe to au lines, payments will be automatically made into 24 installments unless otherwise requested.

※The above will be determined in the 25th month after you purchase your device. (Your au Point Program status will be determined according to your usage in your 22nd through 24th months.) The handling of your final payment will be notified to the email address linked to your au ID in advance.

Sample payments when the installment payment for the 25th month is divided into payments of 24 installments again after purchasing an eligible smartphone at a store with au products

<For device price of ¥96,600>

If you replace your device with a new one during your installments and we collect your old device, you will not need to pay the remaining amount, including payment for the month you purchased your new phone!!

<At the time of your initial contract>When the cash selling price / payment total is ¥96,600 ("Installment ¥2,520 x 23 times" + "Final payment amount: ¥38,640"), APR: 0% Down payment: ¥0 Number of payments: 24 times Payment period: 26 months

<After extension>When the cash selling price / payment total is ¥96,600 ("1st to 23rd time: ¥2,520" + "24th to 47th time: ¥1,610"), APR: 0% Down payment: ¥0 Number of payments: 47 times Payment period: 49 months

※There are certain conditions for the collection and assessment of the device you purchased under this program. If these conditions are not met, you may be required to pay up to ¥22,000 (non-taxed) or may not receive the benefits.

Prices shown include tax unless otherwise noted.

[Subscription requirements]

Purchase an eligible model at an au store or store with au products with this program*1*2*3

※Devices may be purchased under this program regardless of whether you have an au line*4

[Eligible models]

Smartphones, excluding some models

[Conditions for the offer]

- Purchase an au smartphone, mobile phone, tablet or router at an au store or store with au products after using an eligible model for at least 12 months*2*5
- Agree to have KDDI collect the device you purchased with this program*2*3

*1: Models brought in are not eligible. *2: Only customers with au lines may apply for the program at the au Online Shop. *3: The number of installments for this program can only be 24 times for both the initial installments and second installments. *4: If you do not have an au line, this program is available for customers who pay with a credit card and are over age 20 (excluding corporate contracts). *5: If we collect your device and you do not purchase a new model, we will purchase your device according to our prescribed conditions and prices. ★2: Phones are only collected by stores with au products, and are not available in some stores or the au Online Shop. If you purchase a new model and use the program benefits at the same time, and we could not collect the model you subscribed to under the program, please send it to the location designated by KDDI or bring it to a store with au products. The deadline for mailing is until the 25th day of the following month after you replaced your device with a new model (inspections of your device at KDDI need to be completed by the end of the following month after you replaced your device with a new model). If you are bringing your device to a store with au products, please bring your device by the end of the following month after you replaced your device with a new model. In the event you do not meet the deadline, the program's benefit of not needing to pay will not be applied. ★3: In the event your device is defective or damaged (example: cannot recharge), you may need to pay a separate fee of ¥22,000 (non-taxed), or you may not be eligible for the benefits (¥2,200 (non-taxed) if you subscribe to Repair and Delivery Service for Android™). ※If you use Ponta Points (au WALLET Points) for your monthly payments, points cannot be used for your final payment.

※Contents may be subject to change depending on the timing and phone model. ※Fees for the contract may separately apply. ※Information contained in this flyer is current as of May 28, 2020.
