※For other eligible fee plans and Flat-rate Data services, visit the au website.

Your family will also be covered!

For family members who live together: Smartphone and tablet fees will be discounted for all family members*3!

For family members who do not live together: Family members **over 50** will be covered even when they do not live in the same household!

Home Internet services covered ※Visit the au website to read more about partner cable TV operators in each area.

HIKARI services	Cable TV	HIKARI Collaboration services
	Partner cable TV companies Okinawa Cable Network	

Usage and option fees apply separately. If you cancel your Internet service, you may be charged a contract cancellation fee depending on the length of your contract (e.g., au HIKARI HOME Zutto Giga-Toku Plan: 3-year contract, contract cancellation fee: 16,500 yen including tax).

★1: Some services are not eligible. You may not be able to sign up depending on the location of your residence or your current data communication environment. Applicable only if you have signed up for "Internet + phone", "Internet + TV", or "TV + phone" as Internet service for a single household.
 ★2: Speed Wi-Fi HOME L02/Speed Wi-Fi HOME L01s/Speed Wi-Fi HOME L01/WiMAX HOME 01 ★3: You can sign up if the person(s) who signed up for your home Internet service (including au Smart Port) and mobile phone/tablet has the same surname and the same postal address. Family members over 50 can sign up even if their address is not the same as the address used to sign up for home Internet service. If the surname is different, or if the person has a total of more than 5 mobile phones/tablets assigned, the person must present proof that he/she is a family member and lives at the same address (family members over 50 living at a different address need only present proof that they are family members). For each home Internet line, up to 10 mobile phones/tablets (or 9 mobile phones or tablets per each au Smart Port) can be assigned. No mobile phone or tablet can be signed up twice.
 ※The discount amount will be determined at the end of the month based on the mobile phone/tablet fee plan or Flat-rate Data service that you are signed up for at that time. ※This service may not be applicable in conjunction with other au policies. ※You will be notified in advance if the service details change.
 ※Additional fees apply for devices, calls and communication, administrative work and universal service.

※Your communication speed may be limited according to your fee plan and usage. ※The content of this flyer is current as of March 2021.
