You won't need Wi-Fi when traveling abroad.

au Unlimited Data Overseas

※Your communication speed may be restricted if you use a significant amount of data within a certain period of time (in 24-hour increments).

au's unlimited overseas data usage service allows you to enjoy international travel with your usual smartphone

Usage fees — Lower price if booked in advance!

Available in limited regions
With the Reservation Discount

From 800 yen/24 hours!

■ **Requirement: You must sign up for Data Charge (free).**
See the au website for the details of Data Charge.
※The Reservation Discount must be booked in advance from the Overseas Smartphone Usage app prior to your international departure. ※This discount is also available to povo1.0 customers.

■ **Usage fees**

	Countries and regions covered	Fees	Number of days permitted
Reservation Discount booked in advance	United States (mainland/Alaska), Hawaii, Canada, South Korea, Taiwan, Hong Kong, Macau, Thailand, Philippines, Vietnam, Singapore, Indonesia, Malaysia, Cambodia, Laos, Puerto Rico	**800** yen/24 hours	1–30 days
	More than 160 overseas countries and regions, including the above	**1,000** yen/24 hours	
Not booked in advance	More than 160 overseas countries and regions, including the above	**1,200** yen/24 hours	1–8 days

※The countries and regions are subject to change without notice. For the latest list of countries and regions, please visit the au website.
○There are additional charges for voice calls and international SMS.
※Fees separately apply such as for au/povo1.0 usage, options, universal service and call relay service.

【Notes】
・ This service covers email, Internet use, and tethering from au/povo1.0 devices.
・ ＜If you are not a Data Charge user＞ au Unlimited Data Overseas will not apply, and you will be charged according to Kaigai Double-Teigaku for your data communication charges.
・ ＜If you do not wish to use au Unlimited Data Overseas＞ You must apply for the "Option Rejecting au Unlimited Data Overseas/World Data Flat"; in this case, you will be charged according to Kaigai Double-Teigaku.
・ Your line may be temporarily suspended if your charges for overseas data communications become particularly high.
・ Depending on the telecommunication situation at your destination, our partner overseas operators, as well as applicable countries and regions, may vary or become unavailable.
・ The service may not be accessible even in covered countries and regions, depending on the terrain and location.
・ Your communication speed will be restricted if you use a significant amount of data within a certain period of time (in 24-hour increments).

Take this opportunity to try the new au Unlimited Data Overseas!
au Unlimited Data Overseas 1-day cashback campaign

Campaign period	March 15 to May 31, 2024

If you apply through the dedicated website during the campaign period and use au Unlimited Data Overseas, you will receive the equivalent of one day's worth of first-time usage fees in your au PAY balance!

Set it up on your smartphone in just 3 steps!

1 Download the Overseas Smartphone Usage app

※This app cannot be used by au Keitai users.

au UQ mobile

iPhone From App Store

Android™ From Google Play™

Search for "海外スマホ利用 (overseas smartphone usage)"!

2 Book in advance before departure

※You can change or cancel until 1 hour before the service usage start time.

3 Enable data roaming on your smartphone after booking

See here for details on settings

ネットワーク設定

モバイルデータ通信 オン→

データローミング オン→

Turn on [モバイルデータ通信 (Mobile data communication)] and [データローミング (Data roaming)] in the smartphone settings

<For iPhone>
設定 (Settings) > モバイル通信 (Cellular) > Turn on "モバイルデータ通信 (Cellular data)"
設定 (Settings) > モバイル通信 (Cellular) > 通信のオプション (Cellular data options) > Turn on "データローミング (Data roaming)"

<For Android™*>
設定 (Settings) > ネットワークとインターネット (Network and Internet) > モバイルネットワーク (Mobile networks) > Turn on "モバイルデータ (Mobile Data)"
設定 (Settings) > ネットワークとインターネット (Network and Internet) > モバイルネットワーク (Mobile networks) > 海外ローミング設定 (Overseas roaming settings) > Turn on "ローミング (Roaming)"

＊Some menu names and steps may vary by model and OS version. For more details, consult your device's manual.
※After you start to use the service, the remaining time will be displayed. To check whether au Unlimited Data Overseas is active, open the app at any time.
To start using au Unlimited Data Overseas again after the usage period ends, or if you did not book in advance, open the app overseas and press "利用開始 (Get started)". (When using the app, turn off Wi-Fi.)
※You can also access "利用開始 (Get started)" from a web browser. Click the link in the body of the SMS that you receive after arriving overseas to view the "利用開始 (Get started)" screen.
※If the "利用開始 (Get started)" screen does not appear even after clicking the link, reload the page or click the link below.
