*2: Calls to 0570 (Navi Dial) and other special numbers are not covered. *3: If a call exceeds 5 minutes, a calling charge of 22 yen/30 seconds will be billed separately for the time exceeding 5 minutes.

★1: ※There is a monthly data limit for tethering and Data Share. If the limit is exceeded, the data speed for these services will be a maximum of 128 kbps for sending and receiving (the data speed restriction will be lifted sequentially on the first day of the following month). ※For 4G LTE contracts, data speed will be restricted to the extent that it does not interfere with general use of smartphones (e.g., watching videos in HD quality) for services that involve high-volume communication or long-time connections, such as for videos and cloud games. ※If you use a significant amount of data within a certain period, your data speed will be restricted during peak time periods. ★2: When Family Discount is applied, domestic calls between family members are free. Rates differ for calls to satellite phones and calls to phone numbers charged by other companies. ★3: A subscription to a service such as home Internet service is required. (Subscription example) For au HIKARI Home Zutto Giga Toku Plan (contract term: 3 years), a separate basic fee of 5,610 yen/month plus an option fee of 550 yen/month apply. When you cancel your Internet service, you may be charged a contract cancellation fee of 4,730 yen, depending on the length of your contract. ★4: If you wish to subscribe to the "Standard Plan/Premium Plan," you will be charged separately (payment via "au Simple Payment Service"). The fee for the Netflix "Standard Plan with Advertisement" is subject to change. [Domestic SMS] Sending: 3.3 yen/mail (up to 70 characters) | Receiving: Free ※Up to 670 full-width characters can be sent depending on the model. However, fees apply for two messages up to 134 characters, and every message sent afterward for every 67 characters. [Content services] ※For au Simple Payment Service, you will be billed the usage fees for relevant services, but the corresponding amount will be discounted from your au usage fees. If you are not subscribed to this plan at the end of the month, the discount from the au usage fees will not be applied. [Common points of note regarding content] ※You may not receive the Free Initial Subscription offer for the relevant content. ※To start the plan, you must perform the separate procedures for starting the service. (TELASA (excludes au Money Activity Plan 5G ALL STAR Pack 3/au Money Activity Plan 5G Netflix Pack 2 (P)/au Money Activity Plan 4G Netflix Pack 2 (P))) ※After changing to a plan that does not include content, or canceling or temporarily suspending a plan that includes content, you may need to perform separate procedures to unsubscribe from the content yourself. Please visit the au website to check your status. ※If you have already started using the content, you will be charged the full usage fee in the month you started using the service. ※Not applied to corporate contracts.

[au Smart Value] ※Application required <Requirement: Subscribe to ①+②> ①Applicable plan with an au smartphone ②Applicable home Internet services (Internet + phone) ※You may apply if the contract holders for the home Internet services and the au mobile phone have the same last name and address.

[Common points of note] ※Discounts currently applied may be terminated upon subscription to this plan. ※The full amount will be charged if you cancel in the middle of the month. ※It may not be possible to use these promotions together with other KDDI promotions. ※Fees separately apply such as for usage, for universal service, and call relay service.

※The information on this flyer is current as of August 2024. The contents may change depending on the time of application.
