

au WALLET points can be used and earned like money.

Like money

Use points anytime and anywhere.

au WALLET points can be used in convenience stores, supermarkets, restaurants, electronics retail stores, and many more locations across Japan that you often go to.

● Points can also be used to pay for your new phone when changing models, as well as your monthly au bill.

※au WALLET points need to be charged. ※Cannot be used at some stores and for some services.

For a variety of services

Be smart and earn points.

In addition to everyday shopping, you can earn plenty of au WALLET points by combining various services from au.

au WALLET points can be easily charged and used for payment.

1 First, charge with points. (1 point = ¥1)

Scan the QR code to download the au WALLET app

There are other ways to charge points other than with money

2 Your au WALLET balance can be used through the following three ways:

Pay with the card

au WALLET
プリペイドカード
Prepaid card

Pay by having your iPhone or Apple Watch scanned at the register*1

Scan the QR code for details on Apple Pay

Pay with your smartphone code*2

Service launched in April 2019

*1: Applicable models: iPhone 7 or later, Apple Watch Series 2 or later. *2: Payments can be made by presenting the code on your smartphone code or by scanning the store's code with your smartphone (functionality to be launched in late June). ※The images are for the purposes of illustration.

Use points at stores you often go to!

au WALLET
プリペイドカード

Prepaid card

Can be used at about 43.3 million Mastercard® merchants around the world*3!

※Cannot be used at some stores and for some services.
*3: Reference: Nilson Report, September 2016 edition
