au PAY

Soon available in more locations!

See the au PAY website linked on the right or the au WALLEt app for details.

See the reverse side for instructions on how to use the app!

[Conditions] An application for an au WALLEt prepaid card and the au WALLEt app are required to use au PAY. (Applicable devices) Smartphones and tablets (4G LTE) with iOS8.0 or later/Android™ 4.0 or later. ※Not available for feature phones. ※Money needs to be added to your au WALLEt to pay with au PAY. ※The maximum payment amount per transaction is 49,999 yen (tax included). ※au PAY is not available at some stores. The list is an example of stores scheduled to have au PAY available. *1: Communication fees separately apply. *2: Points are not rewarded for payments at some stores and products. Points are rewarded at a later date, and may take up to 2 months. Service contents may be subject to change or be discontinued without notice. ※The illustrations are examples.

Download the app now to start using au PAY!

Search "au WALLEt"
and download the app.

iPhone users
Open App Store

Android™ users
Go to au Market

Update the app if you already have downloaded it.

※Communication fees separately apply to download.
※If you own an Android™ device, it may already have the app downloaded.

Default settings

1 Tap on [新機能「au PAY」の利用をONにする
(Enable the new au PAY feature)]

2 Tap on [au PAY]

3 Agree to the terms and conditions

4 Security settings

You can set the same passcode for locking your device for the app. Once enabled, you will need to unlock with your passcode each time you open au PAY.
※ You may also choose not to lock the app.

5 Tap on [閉じる (Close)]

6 Creating a shortcut

Creating a shortcut to your smartphone's home screen by tapping on [この画面へのショートカットを作成する (Create a shortcut to this screen)] will make au PAY easier to use when shopping.
