Your Ponta points earned can be used at the rate of

★1: Equivalent to the metered power usage of your local power company. ★2: Excludes fuel consumption adjustment amount, renewable energy generation promotion dues, and corresponding sales tax. ★3: If the registered addresses for the au mobile phone, au Hikari/au Hikari Chura and au Denki subscriptions are the same. ★4: Applicable for au Hikari Home, au Hikari Mansion, au Hikari Chura Home and au Hikari Chura Mansion. ★5: Points will be rewarded according to the month's au Denki billing. Actual electricity bills in which points are rewarded accordingly include fuel consumption adjustment amount, renewable energy generation promotion dues and corresponding sales tax. However, the estimate excludes fuel consumption adjustment amount and renewable energy generation promotion dues. Points will be rewarded on a later date. Points may be rewarded after the following month of the billing month depending on your contract status and usage status. **[About discounts with au Denki points]** ※Ponta points are rewarded to the au ID linked to the line selected applicable for discounts with au Denki points by multiplying the applicable monthly bill by the reward rate (figures less than 1 are rounded up). Points will be rewarded according to the sum of the basic fee (or minimum fee) and the electricity bill (tax excluded) from the month's au Denki billing. This excludes the fuel consumption adjustment amount and renewable energy generation promotion dues. ※Only one au mobile phone or au Hikari/au Hikari Chura line is applicable for each au Denki subscription. ※Corporate accounts are not applicable. ※The discount will be applied in the month following subscription and from the month fees for au Denki are billed. If au Hikari or au Hikari Chura is the service applicable for discounts with au Denki points, discounts with au Denki points will be applied starting from the month following the au Hikari/au Hikari Chura subscription. ※Points will be rewarded by the end of the billing month. ※In the event you cancel applicable communication services or make other changes, points will be rewarded according to the terms under "Conditions for Reward Points Pertaining to au Denki (in Japanese)" (<https://www.au.com/electricity/application/contract/>). ※Points cannot be used to pay au Denki bills. **[About au Pay Credit Card and Gold Card]** Conditions for membership apply. See the website for details.
