Basic Manual

Preface

You can download the English version of the Basic Manual Thank you for buying "Xperia™ Z2 Tablet" (simply called the from the au homepage (available in approximately one month "product" from here on after the product is released) Download URL:

Before using the product read "Basic Manual" (this manual) and "取扱説明書 (詳細版) (Full Instruction Manual)" (Japanese) to ensure safe use and handling

About Operating Instructions

■ Basic Manual (this manual)

Handles only basic operations for main features For detailed descriptions on various functions, refer to the nstruction Manual" (Japanese) application installed on the product or "取扱説明書 (詳細版) (Full Instruction Manual) Japanese)" available on the au homepage. http://www.au.kddi.com/support/mobile/guide/manual/

· Company names and product names referred to in this manual are trademarks or registered trademarks of respective companies. The TM, ® marks may be omitted in this manual.

This product allows you to use the "Instruction Manual" (Japanese) application on the product to confirm detailed operational procedures. Certain functions can be directly activated from the application screens on which their operations are described

■ "Instruction Manual" (Japanese) application

 When you activate for the first time, follow the onscreen instructions to download and install application.

(Customer support)]▶[Basic Manual]

Getting Ready

Names and functions of parts

Before you start using the product, make sure to read the Cautions on using XperiaTM Z2 Tablet" to ensure correct use. Before you assume that the product is malfunctioning, check for possible remedies in the following au Customer Support site of au homepage: http://www.au.kddi.com/support/mobile/trouble/repair

http://www.au.kddi.com/support/mobile/guide/manual/

Safety Precautions

Regarding notations used in this document

For Those Requiring an English Instruction Manual

- In this manual, keys (key icons) are represented by simplified illustrations such as **力**, 🝙, 🗇, ()
- Operations of tapping menu items/icons/buttons on the
- screen etc. are indicated as [(name of the item etc.)]. · Screen illustrations shown in this manual may look different
- from the actual screens. In some cases, minor details or a part of a screen may be omitted.
- In this manual, "microSD™ memory card", "microSDHC™ memory card" and "microSDXC™ memory card" are abbreviated as "microSD memory card" or "microSD".
- · All of the indicated amounts exclude tax unless otherwise
