- 18 Fingerprint sensor^{*3}
- 19 microSD memory card/SIM card slot^{*4*5}

- *1 Note that covering these parts with a protection sheet, stickers, or fingers, etc. may hinder product performance.
- *2 The antenna is built into the main unit. Covering around the antenna by your hand may affect the quality of call/communication.
- *3 Do not attach a protection sheet or stickers, etc. on the sensors.
- *4 Install/remove after turning off the power. To avoid water or dust infiltration, be sure to close firmly.
- *5 A nameplate is inside and a sticker bearing the IMEI information, etc. is attached. Please do not peel off the sticker or remove the nameplate.

• The back cover is not removable. Removing forcibly might cause damage or a malfunction. Also, battery is built into the main unit and not removable by customers.

SIM card

Your phone number etc. is recorded in SIM card. SIM lock is disabled for the product.

Attaching SIM card

Before attaching SIM card, make sure to turn off the product.

- 1 Face the display side of the product up, put your fingertip into the groove, and then draw the slot cap of the microSD memory card/SIM card slot straight and horizontally

3

- 2 Set SIM card into the tray (for SIM card) with the IC (metal) part facing down

Pay attention to the location of the notch. Surely set SIM card into the tray not to come off.

- 3 Check that the display side of the product faces up, and then insert the tray straight and horizontally

- 4 Firmly press the slot cap to close

Pay attention to the direction the tray is being pushed in. Firmly press where circled O, and check that there is no gap between the main unit and the slot cap.

4

Turning the power on/off

Turning the power on

- 1 Press and hold Power key (over 2 sec.)

The lock screen appears.

When the initial setting screen appears after the product is powered on, follow the onscreen instructions to set the initial settings.

Turning the power off

- 1 Press and hold Power key (over 1 sec.)

- 2 [Power off] → [OK]

Forcedly turning the power off

- 1 Press and hold Power key and the volume up key at the same time for eight seconds or more, and release your fingers after the screen turns off
