Steps to use the replacement mobile phone

1 Sign up

Sign up for the service on the web or by phone.

2 Delivery

The replacement mobile phone will be delivered to your specified address.

3 Procedures after receiving the replacement mobile phone

For the various procedures you need to take after receiving the phone, see also the guidebook provided with the phone.

[Important notes] ※Return the broken phone within 14 days after delivery. If you do not return the phone, you will be charged 22,000 yen to 198,000 yen as a penalty. ※The charge and penalty varies by device. ★1: Excludes certain regions and remote islands. ★2: For 23 Tokyo wards and Osaka City. Usage charge of 3,300 yen will apply per request. The service is subject to some conditions such as acceptance hours.

Peace of mind as a package

Device Warranty

au +1 collection purchase recommended!

This service offers support when you experience trouble with an eligible product that you purchased through au +1 collection, such as when the product is broken, damage, or lost, and provides a maximum of 30,000 yen (untaxed) toward the cost of repair and repurchase.

Exclusive offer (applies only once a year)	Covers the cost of repair, product price at purchase, or 30,000 yen (untaxed), whichever is the lowest
Requirement	<ul style="list-style-type: none"> The product was purchased on or after the day you subscribed to this service The product was purchased from au +1 collection and is eligible The product was purchased within the last two years
Your fee	3,000 yen (untaxed)

※To apply, you need to present evidence such as a photograph that shows how the eligible product is broken, an estimate with a mention of the repair cost, a receipt, and a copy of the theft or loss report. ※For some products, only theft and loss are supported. ※Additional charges may apply, such as for obtaining an estimate to repair the product.

To find out more and how to apply, visit the au/UQ website, and the separate sheet on the rules of "Repair and Delivery Service."
